## ANOTHER FULL-YEAR EARNINGS GUIDANCE UPGRADE FOR ADTRANS CAR AND TRUCK GROUP

Leading Australian car and truck retailer, Adtrans Group Limited (ASX: "ADG"), has further upgraded its results guidance for the financial year just ended.

Net profit before tax is now forecast to be at least \$13.7 million for the 12 months ended 30 June 2010. This equates to an after tax improvement of approximately 33% on the previous financial year.

Adtrans had previously forecast an improvement in profit of between 25% and 30% for 2009-2010 which in turn was an upgrade on its initial expectation of a profit rise of "at least 20%" for the year.

Adtrans Chairman, Mr Graeme Bignell, said buoyant motor vehicle retailing results for the past year had been further enhanced by a continuing strong performance from the Group's substantial parts and service business across its car and truck operations in New South Wales, Victoria and South Australia.

Adtrans Group's audited results and final dividend for the 2009-2010 financial year will be announced to the ASX late in August.
